Bridles

#204 Halter Bridle (Plain)

A favorite of both competitive and pleasure trail riders. The bit hangers snap onto the cheekpieces and the bit hangs correctly in the horse's mouth.

For hard to bridle horses, order with separate Crown Strap.

#204B With Bit Hangers \$64.00

#204C With Separate Crown Strap

\$70.00

Shown: #204B

Model: Bunny

owned by Bonnie McDevitt,
Fabius, NY.

#202 Same as above, with choice of **color trim** overlay on nose and browband

#202B With Bit Hangers \$70.00

#202C With Separate Crown Strap \$76.00

#203B Extra bit hangers

Great for changing bits fast. Great for training. (per pair).
(bit not included)

One size. **\$12.00**

#203C Separate Crown Strap

Separate, adjustable crown strap to attach to your bit. Slips over your halter or halter bridle instead of using bit hangers above. Easy to remove on the trail! Great for hard to bridle horses. Not recommended for horses that rub their bridles as it is not attached to the halter bridle and may slip off. (bit not included)

One size adjusts from 30" to 48". **\$18.00**

#212 Noseband Cavesson

With crown strap, adjustable, with ring for tiedown. **\$22.00**
(This is used with your existing bridle)

#218 Hackamore Headstall

With adjustable cheeks and throatlatch. Works great for regular bits as well as hackamores. **\$35.00**

#219 Same as above with choice of color trim overlay on browband **\$38.00**
(shown)

#252 Western Curb Chain

Stainless steel chain with Beta Black or Brown straps. **\$9.00**

#251 Curb Strap

Specify Beta Black or Brown. **\$6.00**

Reins! - our most popular item.

Made with flexible, leather-like Beta. May be ordered in solid Beta colors or colored BioThane® can be sewn on the bit end to match bridle or breastplate trim. Hand part is Beta Black or Brown.

#244 7' Split Beta Trail Reins

Split reins with adjustable slide and buckles at bit ends.

Specify solid Beta (*shown*) or with colored ends.

See BioThane® colors above. *Includes trigger snaps.* **\$28.00**

New - rubberized **Beta Grip** available in 10' rein lengths below.

Beta Grip

#245 10' Continuous length with chrome scissor snaps buckled on. Doubles as a lead. Specify Plain or with colored ends. See BioThane® colors above. *Includes trigger snaps.* **\$28.00**

(shown here with colored BioThane® ends in Burgundy)

#245G - with rubberized Beta Rein Grip **\$38.00** *New*

#247 10' Buckle-together

Specify Plain or with colored ends. See BioThane® colors above. *Includes trigger snaps.* **\$28.00**

(shown in plain black and plain brown)

#247G - with rubberized Beta Rein Grip **\$38.00** *New*

#142 Rein Stops

For use with running martingales. **\$2.00**

Breastplates and Accessories

#220 Adjustable Breastplate

(shown at left in brown beta with optional training fork #232)

Will fit most English, Western, Endurance and Australian saddles that have front D rings. Adjusts across withers, shoulders and girth. Snaps to saddle D rings and girth (snaps are removable). Protective Neoprene cover at center ring to minimize rubbing. *(To use with martingale attachments cut a small slit in the Neoprene and snap attachment to center ring.)* **\$64.00**

#221 Adjustable Breastplate

Same as above, with choice of color [trim](#) overlay on shoulders. **\$70.00**

#222 Loop with "D" Ring

For girths without center rings. **\$8.00**

#230 Standing Attachment

Has removable snap on one end and sewn-in snap on the other. Very adjustable.

Snaps to center ring on breastplate #220 and #221.

Beta Black or Brown only. **\$15.00**

#232 Training Fork (Running Martingale attachment)

Rings are very adjustable. Snaps to center ring on breastplate #220 and #221.

Beta Black or Brown only. **\$20.00**

#233 Tiedown

Snaps to girth and ring on halter/bridle or noseband on headstall. Very adjustable.

Beta Black or Brown only. **\$24.00**

#133 Breastplate Dees (pair)

Loops over stirrup bar of English saddle to attach breastplate or saddle bags to dees. Saves wear and tear on saddle dee rings. Black only. **\$6.00**

Cruppers

Crupper #270 (shown)

For the downhill slide. Single Beta Black or Brown strap with black polyurethane crupper. Strap snaps to center "D" in rear of saddle. **\$36.00**

Crupper "T" # 271

For English saddles. Slides under panels to provide "D" ring for Crupper. **\$7.00**

Miscellaneous Items

#160 Stirrup Leathers (pictured at right)

60" long, 1" wide in Satin Biothane. Black or Brown. **\$28.00**

#161 Spur Straps (pictured at left, top)

For loop-end spurs. Specify color: Beta Black or Brown. One size. **\$8.00**
