

## Bridle Measurement

1. Using the picture as a guide, measure your horse's head and note the measurements (in inches) to determine the correct size.

1. Crown - Corner of mouth, over poll, to other corner \_\_\_\_\_ inches
2. Browband - Back of ear around forehead to other side behind ear \_\_\_\_\_ inches
3. Throat latch - From behind ear where browband would lay, under throat to other side behind ear \_\_\_\_\_ inches
4. Noseband - 1" below cheekbones, all the way around \_\_\_\_\_ inches

2. Order the size that will best fit your horse:
